

12 + 13 May 2010

"We have been an exhibitor at the Museums & Heritage Show since it started.

Without doubt this is the most important sales opportunity to museum, gallery and heritage visitor attraction buyers in the calendar. A large amount of the contracts Paragon has been involved in over the years can be directly attributed to being an exhibitor at the Museums & Heritage Show."

The plan shown may be amended. We are happy to quote for different stand sizes and combinations.
All stand numbers are provisional at this stage. All sizes are expressed in metres.
